A Message from Peter Bagazinski, CEO

There are many new and exciting programs on the way for Catholic Vantage Financial. We are currently accepting scholarship applications for college bound seniors and for Catholic school education at the elementary and high school levels. Our Mobile Banking product is ready to launch and will follow quickly with Remote Deposit Capture. Credit cards will undergo a transformation this summer and will provide more benefits to our members by including a rewards program. In addition, it will now be easier to join the credit union and get your loan approved within minutes as we bring new processes online.

National Credit Union Youth Savings Challenge!*

Setting financial goals and saving money are important lessons for young people and we want them to know that Catholic Vantage Financial is here to help them along the way. Tell us your savings goal when you make a deposit and you will automatically be entered to win \$100 from CUNA's Youth Savings Challenge. Plus, we will be giving away an additional \$25 to four randomly selected entries! Limit one entry per person.

The National Youth Saving Challenge is open to all youth under 18 who visit us during April. While youth are encouraged to make a deposit at the credit union, no deposit is required to enter. Parents/guardians giving permission for their youth to enter can submit on a 3" x 5" piece of paper the following information to the credit union: Name, Date, Current age, and What you are saving for. On May 10, 2015, Credit Union National Association (CUNA) will randomly select 25 participating credit unions to each receive one \$100 award. Each credit union will then randomly select one winner from its entrants. Odds of winning depend on number of entrants. This contest is void where prohibited. A list of winners will be posted by CUNA on their website on or after May 16, 2015. This contest is void where prohibited.

NEWS YOU CAN USE

Beware of Fraud and Malware on Facebook and other Social Media Sites

Have you seen ads online and thought that they must be safe because you are on Facebook or a familiar site? Think again! Clicking on it could either infect your computer with a virus or hijack personal and financial information. To ensure privacy online, the Better Business Bureau recommends these online safety tips.

Don't take the bait. Stay away from promotions of "exclusive," "shocking" or "sensational" footage. If it sounds too outlandish to be true, it is probably a scam.

Be careful of shortened links. Scammers use link-shortening services to disguise malicious links. Don't fall for it. If you don't recognize the link destination, don't click.

Don't trust your friends' taste online. It might not actually be them "liking" or sharing scam links to photos. Their account may have been hacked or compromised by malware.

To find out more about other scams, check out Better Business Bureau Scam Stopper at www.bbb.org/scam.
